Welcome to SysTools Exchange Recovery

SysTools Exchange Recovery tool helps you throughout the process recovery of corrupted Exchange EDB file & helps you to export the recovered EDB file to PST (Outlook file), MSG (Single Outlook email), EML (supported by Thunderbird, Evolution, Outlook Express, Windows Mail, Mac Mail etc.).

Key Features of SysTools Exchange Recovery

- → Recover inaccessible or permanently deleted items from exchange EDB files
 - → Quick Scan: Allows fastest recovery of EDB file having minor corruption
 - → Advance Scan: Recover data of major corruption of EDB file
- → Export EDB file to Outlook PST file , Outlook email MSG file , EML file type & Exchange server
- → Provide splitting of large sized Outlook PST file accordingly
- → Provide naming convention for saving EML & MSG file type
- → CSV report is also created to view the removal & conversion details
- → Exchange EDB Recovery supports recovery of edb files created in Exchange Server 2013, 2010, 2007, 2003, 2000.

System Requirements for SysTools Exchange Recovery:

For proper working of software, it's very necessary that it's all requirements should be fulfilled and below mentioned is list of some requirements that you need to fulfill to get proper results with this software.

Minimal System Software Specifications

- → Windows XP
- → Windows Vista
- → Windows 7 (32-bit or 64-bit)
- → Windows 8 (32-bit or 64-bit)

Additional Requirement

- → MS Outlook (2013/2010/2007/2003/2002/2000/97) should be installed
- → Exchange Server (2010/2007/2003/2002)

Basic Hardware Requirements

- → Processor 1 GHz processor (2.4 GHz is recommended)
- → Memory 1 GB RAM
- → Disk Space Around 7.5 MB for installation

SYSTOOLS SOFTWARE

Software as mentioned requires Windows PC platform for its execution. The installation of software requires some simple steps. User need to just move with the instructions given by the software.

Software requires no efforts on your part when comes to uninstall of same. Hassle free uninstall **SysTools Exchange Recovery** by commonly known Windows uninstall methodologies.

More to Come

- → Install SysTools Exchange Recovery
- Uninstall SysTools Exchange Recovery

Installation of SysTools Exchange Recovery

You can install **SysTools Exchange Recovery** properly on your computer system by performing the following steps:

→ Download SysTools Exchange Recovery latest version from the website: http://www.systoolsgroup.com/exchange-recovery.html

→ Double click on downloaded **SysTools Exchange Recovery** (setup-exchange-recovery.exe). Click on the **Run** option.

→ Once you will double click on set up, the setup will ask, *Do you want to run this file* and you have to click on **Run** to proceed in installation.

→ After this, when you will click on **Run**, you will get welcomed in **SysTools Exchange Recovery** setup, you have to click on **Next** in that setup to proceed.

→ After clicking on **Next**, the set up will offer you a License agreement and you have to **accept** that agreement to proceed. Once you will accept the agreement, the **Next** option will automatically get activated for you and you have to click on that to proceed.

→ When you will click on **Next**, you will be asked to select destination location for installation of software. By default, the software will get installed on this location *C:\Program Files\SysTools Exchange Recovery* but, if you wish then, you can also select a different destination location by clicking on **Browse** button. (Once you will select the destination location, you have to click on **Next** to proceed).

→ After doing this, you have to select the Start Menu Folder in which the shortcuts of program needs to be placed and click Next.

→ After selection of Start Menu folder, the set up will ask you to perform Additional Tasks like Creating Desktop Icon or Creating a Quick Launch Icon. You have to perform additional tasks as per your need and proceed.

→ After this, the set up will give you a message saying that software is ready to install on computer system. (You have to click on **Install** button in that Message Window to move to the last step of installation process)

→ At last, you will get a confirmation message saying that setup process is complete, do you want to

Launch **SysTools Exchange Recovery**. You have to click on **Finish** in that Message Window to launch the software successfully after installation.

Un-Installation of SysTools Exchange Recovery Software

You can uninstall SysTools Exchange Recovery software in two ways:

- → From the Windows Start menu
- → From the Control Panel

Important Note: To uninstall the software, first make sure that SysTools Exchange Recovery is not running in the background.

Uninstall using Windows Start menu

Click Start button from the Windows menu. Click *All Programs* » SysTools Exchange Recovery » *Uninstall* SysTools Exchange Recovery.

→ A Warning message before un-installing will be displayed on the screen. Click Yes to uninstall the software:

SysTools Exchange Recovery Uninstall
Are you sure you want to completely remove SysTools Exchange EDB Recovery and all of its components?
<u>Y</u> es <u>N</u> o

→ After this step, **SysTools Exchange Recovery** Software setup will start the process of *uninstalling* the software from the computer system.

→ After this **SysTools Exchange Recovery** Software will be successfully *uninstalled* from the computer system. Click on **OK** to close the window.

Uninstall Using Control Panel

→ Another alternative described here for software uninstall is through Windows **Control Panel** which holds and maintains all system settings. This alternative is described here just for sake of

completeness. You can easily skip this step if done with prior uninstall process.

→ Click Start and look for Control Panel in start menu appears before you. Find Add and Remove Programs within Control Panel. Add and Remove Program generates comprehensive listing of all binaries presently installed on Windows. Find out SysTools Exchange Recovery and double click on it to start with it's uninstall procedures.

→ Software prompts you either you like to *remove* SysTools Exchange Recovery and all of its related components. Go for Yes.

→ Click OK to message describing successful uninstall of SysTools Exchange Recovery.

The User Interface of the **SysTools Exchange Recovery** Software looks like the below screenshot. You can visualize the steps of recovering the Exchange EDB file from the following screenshot.

NOTICE TO USERS:

This End User License Agreement (the "Agreement") is a legally binding agreement between you (either an individual or an entity, the "User"), and CoreDataTree Technology Private Limited regarding the SysTools product (the "Software" or the" Program"), and all successor upgrades, revisions, patches, fixes, modifications, copies, additions or maintenance releases of the Software, if any, licensed to you by SysTools (collectively, the "Updates"), and related user documentation and explanatory materials or files provided in written, "online" or electronic form (the "Documentation" and together with the Software and Updates, the "PRODUCT" or the "Distribution Package").

CAREFULLY READ THE FOLLOWING LEGAL AGREEMENT. USE OF THE PRODUCT PROVIDED WITH THIS AGREEMENT CONSTITUTES YOUR ACCEPTANCE OF THESE TERMS. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, DO NOT INSTALL AND/OR USE THE PRODUCT. YOUR USE OF THE PRODUCT IS CONDITIONED UPON COMPLIANCE WITH THE TERMS OF THIS AGREEMENT.

Accepting the Terms

In order to use the SYSTOOLS SOFTWARE PRODUCT (referred as Software or Product below), you must first agree to the Terms. You may not use the PRODUCT if you do not accept the Terms. You can accept the Terms by:

- → Clicking to accept or agree to the Terms, where this option is made available to you by SYSTOOLS SOFTWARE in the user interface for any PRODUCT; or
- → By actually using the PRODUCT. In this case, you understand and agree that SYSTOOLS SOFTWARE will treat your use of the PRODUCT as acceptance of the Terms from that point onwards.

Intellectual property rights

The PRODUCT is owned and copyrighted by SysTools.

The PRODUCT and any documentation included in the distribution package are protected by national copyright laws and international treaties. Any unauthorized use of the PRODUCT shall result in immediate and automatic termination of this license and may result in criminal and/or civil prosecution.

Your possession, installation or use of the PRODUCT does not transfer to you any title to the

intellectual property in the PRODUCT, and you will not acquire any rights in the PRODUCT except as expressly set forth in this Agreement.

Unless you have agreed otherwise in writing with SYSTOOLS SOFTWARE, nothing in the Terms gives you a right to use any of SYSTOOLS SOFTWARE trade names, trade marks, product marks, logos, domain names, and other distinctive brand features.

You agree that you shall not remove, obscure, or alter any proprietary rights notices (including copyright and trade mark notices) which may be affixed to or contained within the PRODUCT.

Scope of the License

SYSTOOLS SOFTWARE gives you a personal, worldwide, royalty-free, non-assignable and nonexclusive license to use the software provided to you by CoreDataTree Technology Private Limited as part of the Software as provided to you by CoreDataTree Technology Private Limited. This license is for the sole purpose of enabling you to use and enjoy the benefit of the software as provided by CoreDataTree Technology Private Limited, in the manner permitted by the Terms.

With the personal license, you can use the PRODUCT as set forth in the Agreement for noncommercial purposes in non-business, non-commercial environment.

To use the PRODUCT in a corporate, government or business environment, you should purchase a business license.

If you acquired the Site\Enterprise license, you may use the PRODUCT on unlimited number of computers within one office in one geographic location.

The registered Software may not be rented or leased, but may be permanently transferred together with the accompanying documentation, if the person receiving it agrees to terms of this license. If the software is an update, the transfer must include the update and all previous versions.

You may not create any copy of the PRODUCT. You can make one (1) copy the PRODUCT for backup and archival purposes, provided, however, that the original and each copy is kept in your possession or control, and that your use of the PRODUCT does not exceed that which is allowed in this Agreement. If you permanently transfer the PRODUCT you shall delete all its copies that are in your possession and send SysTools a notice thereof.

The Software unregistered (trial/demo) version may be freely distributed provided that the distribution package is not modified. No person or company may charge a fee for the distribution of the PRODUCT without written permission from the copyright holder.

You agree not modify, decompile, disassemble, otherwise reverse engineer the licensed Program, unless such activity is expressly permitted by applicable law.

Registration Code/Full Version Link

Registration code - a unique identification file provided to you by SysTools confirming the purchase of the license from CoreDataTree Technology Private Limited, which may carry the information about the license and enable the full functionality of the Program in accordance with the Agreement.

The Registration Code provided to you by CoreDataTree Technology Private Limited constitutes confidential proprietary information of CoreDataTree Technology Private Limited. For purposes hereof, you agree not to transfer, copy, disclose, provide or otherwise make available such confidential information in any form to any third party without the prior written consent of CoreDataTree Technology Private Limited. You agree to implement reasonable security measures to protect such confidential information provided to you by CoreDataTree Technology Private Limited.

In case where the registration code is not provided and link to full version is provided. The link to full version provided to you by CoreDataTree Technology Private Limited constitutes confidential proprietary information of CoreDataTree Technology Private Limited. For purposes hereof, you agree not to transfer, copy, disclose, provide or otherwise make available such confidential information in any form to any third party without the prior written consent of CoreDataTree Technology Private Limited. You agree to implement reasonable security measures to protect such confidential information provided to you by CoreDataTree Technology Private Limited.

Limited Warranties

CoreDataTree Technology Private Limited DOES NOT WARRANT THAT THE SOFTWARE IS FIT FOR ANY PARTICULAR PURPOSE. CoreDataTree Technology Private Limited DISCLAIMS ALL OTHER WARRANTIES WITH RESPECT TO THE SOFTWARE, EITHER EXPRESS OR IMPLIED. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY MAY LAST, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

Legality statement (applicable to password recovery programs only)

The program that is licensed to you is absolutely legal and you can use it provided that you are the legal owner of all files or data you are going to recover through the use of our software or have permission from the legitimate owner to perform these acts. Any illegal use of our software will be solely your responsibility. Accordingly, you affirm that you have the legal right to access all data, information and files that have been hidden.

You further attest that the recovered data, passwords and/or files will not be used for any illegal purpose. Be aware password recovery and the subsequence data decryption of unauthorized or otherwise illegally obtained files may constitute theft or another wrongful action and may result in your civil and (or) criminal prosecution.

Final provisions

All rights not expressly granted here are reserved by CoreDataTree Technology Private Limited.

The software available for downloading through Internet sites and published by SysTools (the "Software") is provided pursuant to this license agreement. SysTools Software encourages you to know the possible risks involved in the download and use of the Software from the internet. You are solely responsible for protecting yourself, your data, your systems and your hardware used in connection with this software. SysTools shall not be liable for any damages suffered from the use of the Software.

BY USING THIS SOFTWARE, YOU EXPRESSLY AGREE THAT ALL RISKS ASSOCIATED WITH THE PERFORMANCE AND QUALITY OF THE SOFTWARE IS ASSUMED SOLELY BY YOU. SYSTOOLS SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF SYSTOOLS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE SOFTWARE IS MADE AVAILABLE BY SYSTOOLS "AS IS" AND "WITH ALL FAULTS". SYSTOOLS DOES NOT MAKE ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, CONCERNING THE QUALITY, SAFETY OR SUITABILITY OF THE SOFTWARE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. FURTHER, SYSTOOLS MAKES NO REPRESENTATIONS OR WARRANTIES AS TO THE TRUTH, ACCURACY OR COMPLETENESS OF ANY INFORMATION, STATEMENTS OR MATERIALS CONCERNING THE SOFTWARE THAT IS CONTAINED IN SYSTOOLS SOFTWARE DOWNLOAD SITE. IN NO EVENT WILL SYSTOOLS BE LIABLE FOR ANY INDIRECT, PUNITIVE, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES HOWEVER THEY MAY ARISE AND EVEN IF SYSTOOLS HAS BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
